

## Hotels

NGI has agreements with several hotels and a Pensjonat listed below with further booking details included in the last 3 pages herein. Ask for the "Norges Geotekniske Institutt" rates at the Norlandia Hotel and the Cochs Pensjonat (the rates below are for 2008 and may or may not be slightly different for 2009) and ask for the "Geotek" rate at the Thon hotels.

All of the Oslo Hotels listed below are clustered near the King's Palace and located near the Nationaltheatret or Stortinget subway stations (T-bane <http://www.tbane.no/>) and are a short 10 minute ride to ICG/NGI. We will send more details later on how to get from the airport to Oslo and ICG/NGI
